A SEROJS PHASE.

The Railroad Situation at Lexington, Ky., Gotting Serious.

LEXINGTON, Ky., July 24. The rail ond sination in this leip is beginning to assume a serious phase. Treeday night the switchmen of the Cincinnat. Southern yards in this city leined with the strikers and no trains are them of mandled. The tren claim that they presented complaint to the officials of the road some time since and waited for a raply, which, so far. Ley have failed to receive.

It is said that onless the demands of the yard men are conceled the road men villicin with them. The cogioeers have decided not to had reight handled by the code in the time in the convenient of the road seems of 200 insies, is crowded with loaded yare, hundred being filled with obsided fare, hundreds being filled with obsided fare, but of vall [The Kentucky Central Road is in even worse shape than the other and last night nut a freight train was in motion on eit berroad. The yares here contain nearly 1,000 lended cars. Some have been here a week. Passenger trains are moving as usual and will not be disturbed.

HOLSE B.OWN UP.

i Dwelling Totally Collapsed and Several People Killed.

Savannah, Ga., July 21. W. J. Bullard's hoarding house, a three story brick dwelling on Congress street, was blown up at 1,20 this morning. Three persuas were killed and six injured, two of whom will probably die. There were thirteen pepple in the seaso.

The explosion shattered the walls, which co lapsed in an instant and fell in a miss of rules. The cause of the explosion is a mystery.

PARLIAMENTARY CONFERENCE.

Arbitration Organization to Sections of Bis-putes.

LONDON, July 24. The international particular to conference conversed yea-terday under the presidency of Sensor Villari of Rome. The following resolu-tions were adopted and represent the outcone of the deliberations:

outcone of the deliberations:
That as means for promoting peace and
good will between dations the members
urge the conclusion of tradies of urbitration by which, without interference with
their independence, the nations would engage to submit to arbitration the set lement of

CENSORBHIP OF NEWS. Everything Examined Refere Leaving Sales

La libertal, Salvador, July 21. The present government has established a rigid, censorship of riews. No informaticu in regard to the existing crists or trouble between this country and Gnatemals is allowed so be published unless it has first been examined and approved by the censor. This sensorship is also extended to news deeps, these addressed to foreign countries. The Central & South American Pickeruph Complay cannot accept for transmission to other points any news not accepted and approved by the government censor.

NEW HAMPSHIRE. NASEUA, N. H., July 24. R. T. Sm th's book store in Reason's block was burglar-led lus: night and several hun dred dollars' worth of gold pens, pencils and other valuables taken. The burglars obtained entrance by taking out a panel of the back

CORTOCOOK, N. H., July 24. Deputy
Sheriff Tucker, of Concord, arrived here
this me oling with a warrant of the county solic for for the arrest of Albert Densmore and Wille Bailey, charged with
breaking and entering a school house.
Densmire is a youth of about 15 and
Railey is a boy of about 6. The report
says the Bailey boy "perubed," heingitoo
young to keep a secret, and so exposed
Densmire. Complaint was made by to,
C. Lord, chairman of the school board.
The boys will be taken before the police
court at Concord. The school house was
badly damaged, every window being
beoken and books and supplies destroyed
and damaged.

deliment management had no connection with anyweatherings movement, might at hat divine the truth and the management of the property and the season the truth and the season the statement of the season the statement of the season the statement of the season the season the season to the season the season to the them or en if the bargain were successful, for what he carried was not of a sort to pass the eyes of the custom house officers, and one set of custom house offi-

cars was certain to be succeeded by alleither.

The neute bells of his winding train
makind through dark tropical forests
that inspired redection and awa, and
plantations of collie and binespile, beneath inch paramite growths of orchid
and hisometrs, and jost hamlets, with
monumental decayed churches, where
Lazian women with trays of fruit on
their head, ignorant of the wais, pave
thesh anning greeting. The second day
safter apparating from he troops, they
came to a small river, which they crossar by means of a bashes suspended on a
nawhalls cable, the animals swimming.
Farther up could be seen an ingenious
holdly arched foot bridge made of grape
vines awang from two to two. At this
place they heard some lowey common
abots from the directors of Vern Crus,
to the northward of which they had
taken their course. They at first bought
the city might have been shaded, but
the firms was of too short decades. Him with a unadesto

Be had in his hand in light of a part of
Printerian guard, of findignus-lifensimanny heter migrit be the market of it
— upach should support the laborator
when he-unadning established, to serve
as a achd alliance against the instability
of his own countrymen, and he proposed
to Walter a high command in it.

"He, no," respected the younger man;
"all that I have done has been only a
desperate cost of atvention inspired by,
my necessities. It is not labely I could
repeat it in any other course. I should
have no stomach for military life as a
profession."

prow size summy rwy re,
"I am writing to work and work hard
for my husband and children, but oh! I do
so hate nordiem work which does set show
the time and strength put into h. How I
have washed and wrang out, and their
washed again, all becomes the soap was
one of those room affairs and, did not
eleanne. How I are Bressols soap, and as
habity would put h, I cave a hundred per
estat. In these and lober." Thus sold life.
D, a fifth Riccal of Erassols soap.

Because it has proven its absolute merit prer and over again, yecame it has ar ungualled receive of cutes, because it has ar unusues is conducted in a thoroughly honest paper, and heatise it combines economy in undurant has been and mentioned. manner, and headers it combines economy and strength, being the only medicine of which "R's Doses One Dollar" is true—thme string points have made flood's Saramarilis the most succentral medicine of the day.

Merit wins, as the maryelous success of Bood's Saramarilis, there. It notes use
